Student Visa Process

Very important: Student visa is mandatory, for periods over 180 days. Nevertheless, the university recommends that all students apply for their student visa with the purpose of minimizing their efforts with immigration authorities, in events such as:

1. Exchange program extension

2. Professional internship in Colombia

Please visit the Colombian Consulate website.

International students are received at Universidad Icesi under a particular academic program. The program can be the same or similar to the one they are studying in their home university or which best fits to their areas of interest at Icesi.

Undergraduate Academic Programs

International students are received at Universidad Icesi under a particular academic program. The program can be the same or similar to the one they are studying in their home university or which best fits to their areas of interest at Icesi.

The courses that the students would like to take can be found in the links below and then clicking on "*contenido de materias*".

We recommend international students enroll maximum five (5) subjects, as we additionally offer a free Spanish course for students who require it.

Each academic program director will register each student's courses, during the orientation week.

Please keep in mind that the course offer may vary from one semester to another.

"Español como Lengua Extranjera" course

A Spanish exam will take place during the orientation week for those who wish to take the "Español como Lengua Extranjera" course. This exam will determine the student's level. Course materials are included.

This course is not mandatory (except for the Double Degree students) but we strongly recommend all exchange students to take it. The course will not give credits. The tentative schedule is Tuesdays and Thursdays from 17:00 to 19:00 hrs, and it starts one week after the beginning of the academic semester.

Courses, activities and social projects of Welfare University

The Welfare University Team (*Bienestar Universitario*) offers extracurricular activities in the areas of culture, sports and recreation, human development and social projects in order to promote activities aimed at the social, emotional, and physical development of students.

International students can participate in activities offered by Welfare University, without additional cost, starting at any time during the semester.

More information in: https://www.icesi.edu.co/bienestar_universitario/

Orientation week for international students

During the orientation week, the International Relations Team will do several important activities for our international students. That is why it is mandatory for students to plan their arrival to Cali to assure their participation from the first day.

Activities:

- Academic enrollment.
- Spanish diagnostic exam and Spanish classes registration (for those who need it).
- Students must register their visa to *Migración Colombia* authorities to get their foreign ID. This procedure costs \$187.000 COP (Colombian pesos) approximately; credit card payment is suggested.
- City tour.
- Integration activities for the exchange students.

Our welcome at the airport

Once you had booked your tickets and know the day, time and flight number of arrival in Cali, please let us know to schedule your pick-up at the airport. Early information will be appreciated.

We will welcome you at the airport and take you to your new home. Those students that do not wish to be picked-up at the airport, must inform us on time.

Please send us the following format: **Arrival Form**, sent directly to the international students in the *Bienvenido(a)* e-mail.
